March 29, 2023

Statistics Request Overall Description

On March 27, 2023, Research and Statistics received a request for the number of specified domestic violence related charges including the violation of protection orders in Daviess for Calendar Year (CY) 2022.

CourtNet, which provides a summary of cases statewide, was queried for the number of specified domestic violence related charges in Daviess during CY22.

Domestic violence includes physical injury, serious physical injury, stalking, sexual abuse, strangulation, assault (or the infliction of fear thereof) between family members or members of an unmarried couple.¹ Kentucky law recognizes the same acts of violence occurring between persons in a dating relationship or who have been in a dating relationship as interpersonal violence.²

Domestic Violence-Related Offenses

Persons accused of criminal conduct may be prosecuted for offenses related to domestic or interpersonal violence. Criminal cases filed having domestic violence related offenses include charge categories Murder, Assault, Homicide, and Sexual Offenses. See the *Supplemental List of Offenses* at the end of the attached report for a complete listing of offenses included in this report.

Statistical Report 20_RS3155

Report 23_RS9005 provides criminal cases filed 1/1/2022 – 12/31/2022 with domestic violence-related charges according to jurisdiction.³

A *Supplemental List of Offenses* by Category, Kentucky Revised Statute (KRS), and UOR description is provided at the beginning of the report.

Statistical Analysis Considerations:

- The data presented is a snapshot in time as of the date of the query.
- A case may consist of one or multiple charges. The report's count of cases represents a distinct count of case numbers, regardless of the number of charges associated with the case.
- Counts of cases do not necessarily represent counts of unique individuals.
- Charges included in this report include ASCF Codes (1-Attempt, 2-Solicitation, 3-Conspiracy, 4-Facilitation, 5-Complicity, 6-Enhancement); however, only the base charge description is displayed for grouping purposes.

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC), and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases.

The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of KYCourts/CourtNet.

RESEARCH AND STATISTICS UOR CODE DISCLAIMER

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at www.kentuckystatepolice.org.

The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at courts.ky.gov/aoc/statisticalreports. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format, and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity, and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of "*obs" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.
