ORDER

IT IS HEREBY ORDERED Local Rule 26 B- 4 and 6 are amended as follows:

4. Terms and Conditions of Sale

Unless otherwise ordered all sales shall be conducted by the Commissioner or Deputy Commissioner at 12:00 noon (local time) in the Fayette County Courthouse at a place posted the morning of the sale, or electronically, at the discretion of the Master Commissioner, via an online auction hosted by a licensed provider, at a time and auction website to be advertised by or at the direction of the Master Commissioner, upon the following terms and conditions:

- a. Before conducting a sale the Master Commissioner shall advertise in a newspaper meeting the requirements of KRS 424 .120, the time, terms and place of sale, together with a description of the property to be sold. All sales shall be advertised in accordance with KRS 424.130 as follows: The advertisement shall be published at least once not less than seven days nor more than 21 days before the date of the sale, but may be published two or more times provided that one publication occurs not less than seven days nor more than 21 days before the date of the sale.
- b. If required by order or statute, the Master Commissioner before making a sale of real property shall have the property appraised by two intelligent, disinterested housekeepers of Fayette County who are not related to any parties to the action both of whom are actively engaged in or have had at least one year of experience in the field of real estate. Before making appraisals, the appraisers shall be sworn by the Master Commissioner. They shall return their appraisals in writing to the Master Commissioner who shall file same as a part of the record.
- c. The property shall be sold to the highest bidder provided:
 - 1) At the time of sale the successful bidder shall either pay cash or make a deposit of 10% of the purchase price with the balance on credit for thirty (30) days. If the purchase price is not paid in full, the successful bidder shall be required to give bond with good surety for the unpaid purchase price. The bond shall bear interest at the rate the judgment bears, from the date of sale until paid, and shall have the force and effect of a judgment.
 - 2) The purchaser shall be required to assume and pay all taxes or assessments upon the property for the current tax year and all subsequent years. All

taxes or assessments upon the property for prior years shall be paid from the sale proceeds if properly claimed, in writing and filed of record, by the purchaser prior to confirmation.

3) The property shall otherwise be sold free and clear of any right, title or interest of all parties to the action and all liens and encumbrances thereon, excepting easements and restrictions of record in the Fayette County Clerk's Office and such right of redemption as may exist in favor of the United States of America or the defendant(s).

4) The terms and conditions hereinabove set out may be adopted by reference to this rule in the order or judgment directing the sale, or shall be restated therein.

b. A party, who is the successful purchaser of the property, may take credit against any judgment in that party's favor against the defendant property owner for the required deposit and purchase price to the extent that the sale price is sufficient to pay such judgment considering the priorities and amounts previously adjudicated in the action.

6. Fees of the Commissioner

The Commissioner shall be entitled to those fees set forth in Part IV, Section 8(2) of the Administrative Procedures of the Court of Justice. Notwithstanding the foregoing, if the judicial sale is conducted electronically via an online auction, a fee of 6% of the sale price for each property shall be assessed in addition to the fee calculated in Part IV, Section 8(2) of the Administrative Procedures of the Court of Justice.

The 6% additional fee for electronic judicial sales shall be paid by the Master Commissioner to the licensed provider of the online auction for each judicial sale as total compensation for all services rendered by the provider of online auction services in connection therewith, including internet advertising, print advertising in compliance with KRS 424.130 and Part IV, Section 5(3) of the Administrative Procedures of the Court of Justice, signage and other costs associated with providing the electronic judicial sale forum.

Any reply memorandum shall be limited to 5 pages in length, and must be filed 24 hours prior to hearing.

Nothing in this provision shall preclude mediators from disqualifying themselves or refusing any assignment. The time for mediation shall be tolled during any periods in which a motion to disqualify is pending.

C. Mediation Conferences

1. The parties shall contact the mediator within five (5) days from the entry of the order to schedule a mediation conference, which shall be held within thirty (30) days from the entry of the order.

If a party fails to appear at a duly noticed mediation conference without good cause, the Court upon motion shall impose sanctions, which may include an award of attorney fees and other costs against the party failing to appear. If a party to mediation is a public or corporate entity, that party shall be deemed to appear at a mediation conference by the physical presence of a representative with full authority to negotiate on behalf of the entity and to recommend settlement to the appropriate decision-making body of the entity. This statement shall be submitted within 10 days of the termination of mediation. Unsettled cases shall then be returned to the Court's active docket.

5. At the conclusion of cases accepted for mediation, the mediator will report to the Court in writing the fact that the mediation process has ended. If the parties do not reach an agreement as to any matter as a result of mediation, the mediator shall report the lack of an agreement to the Court without comment or recommendation. With the consent of the parties, the mediator's report may also identify any pending motions, outstanding legal issues, discovery process or other action by any party which, if resolved or completed, would facilitate settlement.

F. All orders of dismissal, submission and opinions and orders affirming or reversing the District Court will be served upon all parties or their attorneys and the trial Court Judge.

All orders which make final disposition of an appeal will provide for the payment of costs and remand the case to the District Court. The Clerk will comply with CR 77.04(2) and if no motion for discretionary review is filed pursuant to CR 76.20 within 30 days thereafter the record will be returned to District Court.

G. All agreed orders deciding or affecting the issues on appeal must clearly state either (a) that the appeal is dismissed and the case remanded to the District Court for specific action or judgment or (b) that certain specified issues remain to be decided.

The parties may not agree that the appeal be stayed pending the happening of some event and such relief may only be obtained upon motion and order of the Court.
