

Supreme Court of Kentucky

2020-49

ORDER

IN RE: KENTUCKY LAW UPDATE

Because of the COVID emergency, the Board of Governors of the Kentucky Bar Association has requested that the Supreme Court suspend the requirement under SCR 3.635 that the Continuing Legal Education Commission conduct a 12-credit continuing legal education seminar (i.e., “Kentucky Law Update”) in each Supreme Court District. As an alternative, the Board has recommended that these programs be recorded and provided remotely and free-of-charge to all Kentucky Bar Association members from September 1, 2020 through December 31, 2020.

The Supreme Court has considered the Board’s request and agrees that non-live continuing legal education programs are appropriate considering the current uncertainty of the pandemic. Accordingly, under Section 116 of the Kentucky Constitution and Supreme Court Rule 1.010, the Court ORDERS that the requirement under SCR 3.635 that the Continuing Legal Education Commission conduct a 12-credit continuing legal education seminar in each Supreme Court District is hereby suspended for 2020.

Entered this 8th day of June 2020.
