RESPONDENT

**PLEASE BE ADVISED:**

1. You presently have a Temporary Order of Protection (AOC 275.8) issued by the Commonwealth of Kentucky. Your protective order is temporary because you did not file in this state, a certified copy of the protective order issued in another state.
2. The Kentucky court must have a **certified copy** of the foreign state's protective order to issue a protective order in this state that is valid for more than the time granted in the temporary order.
3. This office requested a certified copy of your foreign protective order from \_\_\_\_\_, the issuing court, within two (2) days of your filing the uncertified foreign protective order.
4. Ten (10) days have passed since this office contacted the issuing court in the other state and this office has not yet received the requested certified copy of the foreign protective order.
5. The purpose of this notice is to keep you advised that if no certified copy of the foreign court's order is received in this office by the expiration date of the Kentucky Temporary Order of Protection, the temporary order will be extended for another fourteen (14) days. However, if certification of the foreign order is not received within twenty-eight (28) days from the original issue date of the Temporary Order of Protection (AOC-275.8), then the Kentucky Temporary Order will expire. Once the Kentucky Temporary Order of Protection expires, your protective order from the other state will have no effect this state.
