

# Basic Legal Training for Dependency, Neglect & Abuse Cases

Sponsored by the Kentucky Administrative Office of the Courts

## Basic Curriculum - 2019

The Administrative Office of the Courts is pleased to oversee the Legal Training for Dependency, Neglect and Abuse Cases (formerly the Guardian ad Litem Training Program). Since 1999, the AOC has been responsible for preparing attorneys to provide legal representation to dependent, neglected and abused children throughout Kentucky.

The goal of the program is to produce highly qualified guardians ad litem by offering training sessions, providing educational materials and serving as a comprehensive resource.

The curriculum gives counsel for children an overview of Kentucky statutory and case law while also meeting the federal requirements set forth in the Child Abuse Prevention and Treatment Act and the Adoption and Safe Families Act.

## Guardians ad litem play key role in protecting children

More than 11,400 Kentucky children are in state custody because they have been removed from their homes due to dependency, neglect and abuse. Federal and state laws mandate that these children

be placed into permanent homes.

The judicial system recognizes the need to achieve timely and appropriate placement for children who are parties in the juvenile court process. To that end, the Administrative Office of the Courts sponsors this training to help ensure that children receive fair and expeditious treatment. Attorneys who participate in the Guardian ad Litem Program provide a valuable service to the children of the commonwealth and are to be commended for their dedication.
