CourtNet is constantly updated with new information. To request current data for Fiscal Year 2020, please contact the Division of Research & Statistics at 800-928-2350.

In addition to the required data, this report contains information regarding the payment of fines, court costs, restitution and other court-ordered monetary penalties, as well as background information on the Kentucky court system.

About the Kentucky Court of Justice

You can find comprehensive information about the state court system on the [Kentucky Court of Justice website](#) and a description of the trial and appellate courts below.

There are four levels of Kentucky state courts. The two trial courts, Circuit Court and District Court, first hear the facts and issue judgments on those facts. Judicial circuits and districts vary in size and number of judges based on population and caseload.

The two appellate courts, the Supreme Court and Court of Appeals, may be asked to review the judgment of a lower court to see if a mistake was made. An appeals court generally cannot hear any new evidence and must rule on what was presented to the trial court. Citizens have the right to one appeal per lawsuit. Beyond this one appeal as a “matter of right,” further appeals are discretionary and the appellate court may refuse to review such cases.

District Court has limited jurisdiction and handles city and county ordinances, traffic offenses, non-contested probate matters, felony preliminary hearings and civil cases involving \$5,000 or less. Juvenile Court is a division of District Court and hears cases involving children under age 18 regarding guardianship, conservatorship, voluntary or involuntary commitment, child abuse and neglect, and domestic violence. Small Claims Court is also a division of District Court and is an informal, inexpensive means for people to file claims in disputes that involve \$2,500 or less. Appeals from District Court decisions are made to the local Circuit Court. District judges serve four-year terms.

Circuit Court is the court of general jurisdiction and can hear all types of cases unless the General Assembly has given exclusive jurisdiction of particular kinds of cases to another court to handle, such as District Court. Circuit Court hears civil matters involving more than \$5,000, capital offenses and felonies, divorces, adoptions, termination of parental rights, real property title disputes and contested probate matters. Circuit Court has the power to issue injunctions and writs of mandamus and prohibition to compel or prohibit acts, and to hear appeals from District Court and administrative agencies. Appeals from the Circuit Court are made to the Court of Appeals. Circuit judges serve eight-year terms.

Family Court is a division of Circuit Court. In counties that have a Family Court, the court has primary jurisdiction in cases involving families and children. Family Court hears cases involving dissolution of marriage; spousal support and equitable distribution; child support and visitation; paternity; adoption; domestic violence; dependency, neglect and abuse; termination of parental rights; and runaways and truancy. Appeals from Family Court are made to the Court of Appeals. Family Court judges serve eight-year terms.

The Kentucky Court of Appeals is the lower appellate court. With a few exceptions, most cases appealed from Circuit Court go to the Court of Appeals. The Court of Appeals also handles appeals of a Circuit Court decision on a District Court judgment. The case is not retried at the appeals level. Instead, the original trial record is reviewed, with attorneys presenting the legal issues to the Court of Appeals for a decision.

Fourteen judges, two elected from each of the seven appellate districts, serve for eight-year terms. Court of Appeals judges are divided into panels of three to review and decide cases, with the majority deciding the outcome. The panels do not sit permanently in one location but move around the state to hear appeals. The Court of Appeals occasionally publishes its rulings on cases, which means that those rulings become the governing case law for all future similar cases in Kentucky.

The Supreme Court of Kentucky is the state court of last resort and the final interpreter of Kentucky law. The Supreme Court may order a ruling or opinion to be published, which means the ruling becomes the case law governing all similar future cases in

Kentucky. Appeals involving the death penalty, life imprisonment or imprisonment for 20 years or more go directly from Circuit Court to the Supreme Court.

All other appeals must first be heard by the Court of Appeals, except those so exceptional that the Supreme Court will grant a request to bypass the Court of Appeals. Appeals from the Court of Appeals, except workers' compensation appeals, reach the Supreme Court only with the court's permission. The justices convene in Frankfort in most months to hear oral arguments.

Seven justices sit on the Supreme Court and all seven justices rule on appeals before the court. The justices are elected from seven Supreme Court districts and serve eight-year terms. A chief justice, chosen for a four-year term by his or her fellow justices, is the administrative head of the state court system and is responsible for its operation. In addition, the Supreme Court establishes rules of practice and procedure for all Kentucky judges and attorneys.

Clerks of Court

Appellate Court Clerks. The Supreme Court and Court of Appeals have clerks of court who are appointed to their positions and are responsible for the custody, control and storage of all appellate records.

Trial Court Clerks. At the trial court level, circuit court clerks are elected officials of the court and are responsible for the custody, control and safe storage of Circuit Court and District Court records. Circuit court clerks also receive lawsuits and court documents, are present during trials, schedule juries, receive fines, issue driver's licenses and handle bond money. One circuit court clerk is elected in each of Kentucky's 120 counties. Circuit court clerks serve for a term of six years.

Administrative Office of the Courts

The AOC at 1001 Vandalay Drive in Frankfort, Ky., is the administrative arm of the state court system and supports the activities of nearly 3,300 court system employees and 406 elected justices, judges and circuit court clerks. The AOC is the fiscal agent for the court system and executes the Judicial Branch budget.

Table 8 – (Youthful Offenders, Out of Part 1)

Circuit "CR" Cases where person age less than 18 calculated from case filing date.

NOTE: Per statute 635.020 (7) If a person who is eighteen (18) or older and before the court is charged with a felony that occurred prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

Currently, the only way to identify if a CR case was a "youthful" offender is by looking at the defendant's DOB. We have based the "youthful offender" portion on Circuit "CR" cases per age, is calculated using case filing date, which is under 18, however, those eighteen(18) or older may not be accounted.

“Youthful Offender” Statutes

635.020 Criteria for determining how child is to be tried.

- (1) If, prior to an adjudicatory hearing, there is a reasonable cause to believe that a child before the court has committed a felony other than those described in subsections (2) and (3) of this section, a misdemeanor, or a violation, the court shall initially proceed in accordance with the provisions of this chapter.
- (2) If a child charged with a capital offense, Class A felony, or Class B felony, had attained age fourteen (14) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (3) If a child charged with a Class C or Class D felony has on one (1) prior separate occasion been adjudicated a public offender for a felony offense and had attained the age of sixteen (16) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (4) Any other provision of KRS Chapters 610 to 645 to the contrary notwithstanding, if a child charged with a felony in which a firearm, whether functional or not, was used in the commission of the offense had attained the age of fourteen (14) years at the time of the commission of the alleged offense, he shall be transferred to the Circuit Court for trial as an adult if, following a preliminary hearing, the District Court finds probable cause to believe that the child committed a felony, that a firearm was used in the commission of that felony, and that the child was fourteen (14) years of age or older at the time of the commission of the alleged felony. If convicted in the Circuit Court, he shall be subject to the same penalties as an adult offender, except that until he reaches the age of eighteen (18) years, he shall be confined in a facility or program for juveniles or for youthful offenders, unless the provisions of KRS 635.025 apply or unless he is released pursuant to expiration of sentence or parole, and at age eighteen (18) he shall be returned to the sentencing Circuit Court for proceedings consistent with KRS 640.030(2).
- (5) If a child previously convicted as a youthful offender under the provisions of KRS Chapter 640 is charged with a felony allegedly committed prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

- (8) All offenses arising out of the same course of conduct shall be tried with the felony arising from that course of conduct, whether the charges are adjudicated under this chapter or under KRS Chapter 640 and transferred to Circuit Court.

640.010 Preliminary hearing -- Proof required to try child as youthful offender in Circuit Court.

- (1) For children who are alleged to be youthful offenders by falling in the purview of KRS 635.020(2), (3), (5), (6), (7), or (8), the court shall at arraignment assure that the child's rights as specified in KRS 610.060 have been explained and followed.
- (2) In the case of a child alleged to be a youthful offender by falling within the purview of KRS 635.020(2), (3), (5), (6), (7), or (8), the District Court shall, upon motion by the county attorney to proceed under this chapter, and after the county attorney has consulted with the Commonwealth's attorney, conduct a preliminary hearing to determine if the child should be transferred to Circuit Court as a youthful offender.

The preliminary hearing shall be conducted in accordance with the Rules of Criminal Procedure.

(a) At the preliminary hearing, the court shall determine if there is probable cause to believe that an offense was committed, that the child committed the offense, and that the child is of sufficient age and has the requisite number of prior adjudications, if any, necessary to fall within the purview of KRS 635.020.

(b) If the District Court determines probable cause exists, the court shall consider the following factors before determining whether the child's case shall be transferred to the Circuit Court:

1. The seriousness of the alleged offense;
2. Whether the offense was against persons or property, with greater weight being given to offenses against persons;
3. The maturity of the child as determined by his environment;
4. The child's prior record;
5. The best interest of the child and community;

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

BRACKEN

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

CARROLL

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

DAVISS

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Circuit Court - "Felony" Criminal Cases

HARLAN

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.

WHITLEY

Cases can have multiple charges which are heard either by a court trial, jury trial, no trial or by a combination of trial types. Depending upon the seriousness of the offense and the consequences of a guilty verdict, defendants in criminal cases have the constitutional right to a jury of their peers. In a jury trial, the Judge decides questions of law, and the jury decides whether the defendant is guilty or not guilty on each of the offense(s) charged. In a court trial, the judge decides questions of law and decides if guilty or not guilty on each offense(s) charges. The cases are categorized by how all the charges within the case were disposed. If all charges were disposed by the same trial type, it's counted in the separate category, otherwise, it's counted within the "Mixed Trial" category. If a charge had a nothing entered or it had "no trial" it's counted in the "No Trial" category.
